Suffering Succotash!!

It's a Psummer Psalm Sojourn Psalter! (I hope you read that in your best Sylvester the Cat cartoon voice.) The Book of Psalms is a perfect read for the summer. No need to rush through it. Yes it is a long book (150 chapters) but we'll have three months to read it. During this summer -- June, July, August -- we will take a temporary stay or rest (a sojourn) in that book as part of our devotional reading. Summertime is often more relaxed so the idea of a saunter through the book may be very appealing to us. Will you join in? Maybe you've never read the Book of Psalms except the 23rd Psalm. Find a version you like. Don't be afraid to try something new. Biblegateway.com is a great source to get different versions of the Bible. Then after you have finished reading the Book of Psalms, I hope you are ready to write your own psalm. This is not required, just a suggestion. Will you please see Tammy Davis if you want to participate? Let her know you are reading and then let her know when you have finished. Enjoy your Psummer in the Psalms! I'm looking forward to this and hope you will too!

Sunday School meeting

Most of you know that I've been attending sessions once a month with other covenant team leaders from our district. One of the things we have been focusing on is to look at the ministries of our district and to see what needs to be done differently and better. We are calling this process RAD (reflect, adjust, do). Actually pretty simple. We did this in our church with our Christmas activities and events and folks came up with some wonderful ideas for us. Donna Dehoney and I have talked and we want to try this with our Sunday school ministry. So whether

you think our Sunday school is excellent or if you think it stinks, I'm sure you have suggestions for ways we could improve. We'd like to meet on Sunday, June 28 at 5:00 p.m. to reflect and adjust and come up with a plan for doing. We especially want our Sunday school teachers and Education Committee members to be present but just as importantly we want folks who are involved in Sunday school to be there. We even want people who don't come to Sunday school to be there so that maybe we can work out something for you to attend. This is open to everyone. Begin thinking about what would make our Sunday school a ministry of our church that would make you feel good about inviting someone to join you. Our Board of Trustees is working on the area-- a new hardwood floor has been installed and painting is in the works. I look forward to this meeting and will be praying that God gives us wisdom as we prepare.
