November Bible verse

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. Philippians 4:6

All Saints Sunday

Sunday is All Saints Sunday and we will be honoring all the members of our congregation who have passed away in the last year. This year we celebrate the lives of three people - Peggy Heath, Nancy Huddleston and Ada Lou Pickett. Hope you will be here.

Special Offering

The Administrative Council has decided that our congregation will take a love offering for Doug DeSpain and his family. Doug was off work for several weeks before he suffered cardiac arrest. He was flown to UK and has spent several days in ICU. He is now recovering at home. In fact, he has done so well, he did not have to go anywhere for rehab. Tina has also been off work, staying with Doug at UK. Their household expenses continue, however. Our love offering will be taken on Thanksgiving Sunday, November 22. Thanks for choosing to give generously to help this family in our congregation.

Ministry Team

A ministry team from Lindsey Wilson will be here Sunday, November 8 to lead us in our worship service. They will lead in the music, sermon and all aspects of worship. This is short notice but because of their calendar, this is the only Sunday this semester they could be here. I know you will look forward to worshipping with them. We had already planned that our November communion offering will support the campus ministries at Lindsey Wilson. In 2014, our annual conference voted to stop sending financial support to our colleges and ask churches to do special offerings for them. With Lindsey Wilson being right in our back door, it only makes sense that we would support them. Many people in our congregation have been students at Lindsey Wilson. Thanks for your support on Sunday.

Charge Conference

Our annual charge conference is set for November 8 at 3:00 p.m. at Mt. Lebanon UMC. All of the United Methodist churches in Green and Metcalfe counties will have their charge conference together. We will elect our nominated leadership for next year, approve the salaries and celebrate all the people who have joined our church on profession of faith since our last charge conference. We will also hear from Ronald Kaluya, the head of Uganda Counseling and Support Services, which is the organization to which our churches sent over \$12,000 earlier this year for the digging of water wells. This really is a day of celebration. All council members are expected to attend but anyone is encouraged and invited to attend. Randy Colvin will also be singing during the worship service.

UMW Soup Luncheon

The United Methodist Women will host a soup luncheon Sunday, November 15 following the morning worship. Several types of soup will be available plus, cheese, crackers, cornbread, desserts and drinks. Hot dogs will be available for the children who do prefer soup. This is for the annual scholarship and other mission projects fund raiser. There is no charge, but donations will be accepted. There will be no monthly potluck in November because of this event.

Thank you's . . .

Deloris, Rebecca and I appreciate so very much all that you did for us on Pastor Appreciation Sunday. Thanks for the gifts and cans of food you donated to the Green County Food Pantry in our honor, That was amazing! Thanks to the youth group for the beautiful clock with the wonderful inscription on it. Thanks to the children's group for their creative acts of love. Then, the luncheon was amazing! I know it is a lot of trouble to get food prepared before worship but you did a wonderful job of that. Thanks for the very thoughtful cards with so many personal messages in them. Those touched our hearts. Thanks to those who helped prepare and clean up afterward. It was a beautiful day. Thank you!

~Pastor Dale

More Photo Opportunities

In case you missed having your photos made for our directory, we have a make-up date of Nov. 10. We must have at least ten families and we must know by Monday, November 2. Please see Dale to get your name added.
