April Bible verse

For what I received I passed on to you as of first importance: that Christ died for our sins according to the scriptures, that he was buried, that he was raised on the third day according to the scriptures, and that he appeared to Cephas, and then to the twelve. 1 Corinthians 15:3-5

Food Pantry needs

Please bring boxes of crackers for the Green County Food Panty. You may bring these any Sunday in April. Thanks for your support.

UMW meeting

The United Methodist Women will meet on Monday, April 9 at 5:15 p.m. We have so much FUN to do and need a group to do it all.

New Bible Study

Our new Bible study, He Chose the Nails, begins Wednesday, April 11 at 11:30 a.m. and 6:00 p.m. We will meet in the Open Door Classroom in the Sunday school area for both sessions.

Security Team Update

Israel Slinker and Jeff Coffey are heading up our security team. They are looking for people who will serve for hopefully no more than one Sunday a month. Cameras will soon be installed around our building. All doors, except the sanctuary door, are being locked when Sunday school is over. After the cameras are installed, the sanctuary door will be locked at 10:15 and one of the security team members will be responsible for opening the door in case someone arrives late. The security team will also serve as additional greeters to help show people around. We don't have very many people who have signed on to help with this and it's imperative we get started right away. Please see Israel or Jeff to let them know you are interested. There will be a training session so that you are adequately prepared.

How Can You Serve?

Are you looking for ways that you can serve without being in front of people? We need additional people to help run the sound equipment and laptop during worship. We also need a couple of people who can help prepare the PowerPoints prior to worship. We will train you on the sound equipment and laptop and will even give you a "Cheat sheet" to help. Someone will also sit with you the first couple of times you work to answer any questions you have. PowerPoints are prepared during the week and then emailed to the church office on Friday. Dale will give you the order of worship and will tell you the theme of the service so that you can prepare the slides. We will also give you websites to find graphics. For video and audio helpers, you should not have to help

any more often than every four to six weeks. If you can help with any of these or just want more information, please write it down on the attendance pads.

Chance to Compete

Morgan Hadley has gained the opportunity to compete with the local HOSA (future health professionals) chapter. This past March, her team competed at the state level by doing a PSA (Public Service Announcement). Her team included Lindi Compton, Clark Church, and McKynzee Gumm. They created 30 second PSA and produced a speech on all the hard work they have done to raise awareness for Pre-Diabetes. The team received 1st place! They are currently working hard to continue to raise awareness of this terrible disease. In June, Morgan and her team will travel to Dallas, Texas to show their work at the International Leadership Conference. If you are interested in sponsoring Morgan and her hard work, there will be a basket with letters in it at the back door Sunday. If you have any questions, please don't hesitate to ask Morgan or Marla. Your support is greatly appreciated.

Note of Thanks

I would like to thank everyone for the prayers, calls, cards, visits, gifts, Bibles and concerns that have been expressed during my hospital stay and the death of my mom, Dixie Davis. All were greatly appreciated. ~Tammy Landis

I would like to thank everyone for the prayers, calls, donations, and for the Bibles given in memory of my father, Pete Perkins. All of the expressions were greatly appreciated by our family.
